Dear Club,

I work for a small recruitment company as an office manager, which means I have to be at work late, as candidates can often only come in for meetings with the recruiters after working hours.

It can be a bit laborious, which is why over the years I've worked here I have developed a game with one of the recruitment managers, Helen, to help pass the time.

Helen is bisexual and we began giving marks out of 10 for the women who would come in to register as candidates. Then it developed into who could get one of them on a date (5 points) and who could bed them (10 points).

I was stunned at how successful Helen was at scoring points, often with women who were straight. My showing, despite being a young guy (27) and in quite good shape, was not so good.

Helen is mid to late 30s, fit and healthy. Short blonde (dyed) hair and always in a tight fitting pencil skirt. She looks good for her age and I am sure she has had breast implants.

We flirt a bit, nothing more, but I have to admit to taking a peak at her cleavage on occasions. She says the low cut tops are part of the job.

One evening, when it was just Helen and me, a girl in her mid twenties turned up for a meeting with Helen. She looked a bit geeky. Not much make-up, glasses, long brown hair, but a lovely pair of legs on show thanks to her short, summer dress.

I would give her a 7 out of 10. I looked forward to Helen's assessment after her

meeting with the girl, whose name on the appointment book was down as Jemma.

These meetings with candidates usually last around 10-15 minutes, but on this occasion it was longer. I couldn't lock up until they were done, so I was getting a bit frustrated when they got to 30, then 45 minutes.

I'd had enough of waiting and I fancied my chances of a date and 5 points (at least) with Jemma.

I knew Helen well enough to interrupt the meeting without feeling awkward, so I knocked on her office door and walked in without waiting for an answer.

The scene before me froze me in my tracks. Jemma was sat on Helen's knee. Helen and her were snogging each other pretty passionately and Helen had her hand up Jemma's skirt.

“...upside down over the desk, I pushed my cock into her warm mouth.”

It took a few moments for Jemma to notice my presence and she jumped with a start of embarrassment. Helen just gave me a wink for victory.

She then persuaded Jemma to carry on what they were doing. Helen was pumping her hand up Jemma's skirt and I noticed a pair of white knickers on the desk.

Jemma seemed a bit reluctant to carry on while I was there, but did so anyway. Helen must have been doing something right.

Like any red-blooded male, I was turned on at the site of one woman fingering another woman.

“You don't mind a spectator, do you?” said Helen.

Jemma just shook her head, distracted by the pleasure Helen was giving her.

I did what any guy would do. I grabbed Jemma's knickers and made myself comfortable on the chair across the desk, whipped out my now swollen cock and began wanking with her pants in my hand.

Helen gestured that Jemma stand up and she obeyed. Helen then helped her lift off her dress over her head to reveal a petit pair of tits and a beautifully pear shaped bum.

Helen then stripped off too, taking her time, knowing it was turning me on even more.

Helen's tits were pretty big and she had clearly had some work done on them, but they complemented her body perfectly.

Once naked, except for her trademark high heels, Helen eased the obedient Jemma on to the desk so that she was perched on the edge. Facing her, she lifted Jemma's legs up and apart and then knelt in front of her, burying her face in Jemma's pussy.

Jemma was breathing heavily and moaning. Helen echoed her moans. I was silent, my eyes transfixed on this scene.

It suddenly dawned on me that, although I had two women going at it with each other in front of me and knowing I was there, I was maybe missing an opportunity by just sitting there playing with myself.

I had to do something otherwise it would be a wasted chance

I stood up, leaned over the desk and cupped my hand around Jemma and over her breasts, fondling them from behind. She didn't mind and leaned back to make it easier for me. I could now see Helen's tongue and finger working on Jemma's pussy.

I eased Jemma right back so she was lying flat on the desk, her head hanging backwards over my side of the desk.

I placed my cock near her face and she kindly stuck out her tongue and licked the tip. With her head almost upside down over the desk, I pushed my cock into her warm mouth.

I rocked my hips very gently and squeezed her tiny breasts. Helen looked up at me and gave me another wink, this time it was one of approval.

Helen and I fucked Jemma in this position for some time. Me with my cock in her mouth and Helen with her tongue up her crack. I think Jemma came because her hips bucked for a moment and she took a breather from sucking my length before recovering and taking it back in.

Helen stopped licking Jemma and stood up, wiping the glistening moisture from her mouth. She turned and knelt on her chair, gripping onto the back of it, her pussy and arse on show for me and Jemma.

"Come on you two. It's my turn," she said.

Jemma stopped working on my cock with her mouth and climbed off the desk, wasting no time in kneeling in front of Helen's gash and forcing her tongue into her from behind. I came round Helen's side of the desk and positioned myself near Jemma's face, unsure whether to put my length back in her mouth after she had had a faceful of pussy, or whether to give Helen a seeing-to from behind.

I opted for the latter the moment Jemma stopped for some air. My shaft glided into Helen and she let out a long moan as it went in. I got into a fast rhythm straight away and forgot about Jemma as I banged Helen from

behind. I held her arse cheeks apart as I fucked her. We were both moaning and groaning.

I stopped, took out my cock and put it into Jemma's eager mouth. She sucked it clean before I slid it back into Helen's gaping pussy and carried on fucking her.

Jemma used her initiative and began licking my balls and rubbing Helen's clit while we banged away together.

I could feel the pressure begin to build in my balls and I had to make a quick decision as to where to shoot my man fat.

The decision was made for me. Jemma could tell I was close and at the final moment pulled my cock out of Helen and took it in her mouth. I exploded. It felt like a cannon had been fired. I kept coming and coming.

Jemma seemed to swallow the lot. Then, when I had completely emptied my balls in her mouth, she pulled away quickly, faced Helen's freshly fucked pussy and spat my entire load between her arse cheeks.

My come ran down Helen's arse crack and all over her pussy with a few dribbles running down Jemma's chin. It turned me on so much I was almost ready to go again.

Helen kindly turned round and cleaned the left over cum from the end of my cock with her tongue and then snogged Jemma to make sure she got a taste of every last drop. We all looked at each other and giggled at what had just happened.

“My shaft glided into Helen and she let out a long moan as it went in.”

Unsurprisingly, Jemma got a job. She had shown she was an excellent candidate and would be an asset to any employer. Most importantly, she had shown initiative.

Helen and I marked her 10 out of 10 for her interview technique and we both took 10 points each from our meeting with her.

Gary, Manchester.

Kicking off the issue is a lady we've been itching to get our hands on at Club HQ, and finally, I'm pleased to say we've managed to unite Felicity Hill and our camera lens. So three cheers, or maybe three spills would be more appropriate! And once you recovered from the glorious view that we are imparting to you of Felicity's ripe and glistening snatch, we hope you'll still have enough energy for the rest of the magazine.

TOTAL RECALL

Dear Club,
I was practically a mere boy, all fresh faced and full of raging testosterone when I first came across Carolina in an oversized shirt, jacket and tie, and ever since then I've had a bit of a thing for suited women. So as you can imagine business meetings are hell on earth for me and my pecker, which have often resulted in my trouser bulge being noticed and taken advantage of occasionally. But that's a story for another time, for now, I would be ecstatic if you could show Carolina from Club Vol.24 No.5, for old times sake.

RIKKI 

“Open up the throttle and away you go.”
Or at least that's what Rikki tells us in her hot husky tones. But to be honest, it's all falling on deaf ears as we look upon the hottest biker chick we've ever seen. With our mouths open, staring like teenagers, Rikki could have run over our feet, and we probably would have just smiled on. So rev it up for Rikki! ♣

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

NYLON NIGHTS

My boyfriend Neil has an insatiable sex drive. I don't know the proper name for a male nymphomaniac but whatever it is, Neil definitely is one. He often drags me away from my friends for a quick fuck and, although it can be embarrassing at times, I'm always open to his attentions.

Apart from our nightly bonk, and the inevitable poking I get bent across the kitchen worktop while I'm trying to make the dinner, Neil likes the thrill of fucking outdoors. That's one thrill we share in particular. We both get a rush from the risk of being caught. That's why I always wear a short skirt for easy access when we go out together.

Not long ago, we were walking home one night from our local when he grabbed my arms from behind and pulled me into one of our neighbours' gardens. He looked around, satisfied that we were unobserved, before marching me deeper into the darkness. I glanced over my shoulder at him, smiling at the determined look in his eyes as I stumbled on my spiked heels. He is a foot taller than me, much heavier and unbelievably strong, and I love it when he becomes macho, so I didn't try to resist.

Looking me over approvingly in the dim light,

he ran his hands over my tits, then down to my hips. Then, with a low growl of lust, he forced his hands up my skirt and kneaded my buttocks. Leaning down to me, he kissed me hard, his tongue tasting of tobacco as it slid softly between my lips. Electric sensations shot through me, amplified by the feel of his hands which had drifted down to my thighs and were caressing me through the sheer nylon of my tights. The chill night air made my nipples stiffen as a breeze played against the thin fabric of the silky blouse I was wearing. He looked down at me as if asking for permission, then grinned when he saw me lick my lips, knowing I had no intention of disappointing him.

I unzipped him and withdrew his erect cock, which was already hard and standing proud. "Balls, too," he said, and I gently eased his sac outside his boxers. Neil's equipment is impressive by any standard. His shaft is large and thick and he keeps his balls neatly trimmed. "All right, but I want it up my bum," I demanded confidently, and his eyes sparkled in response. Taking a condom from my bag, I rolled it down over his

gorgeous cock. He held his member upright for me, displaying it like a prize exhibit in a show. It pulsed with energy as the pink, shiny condom enveloped his length without a wrinkle.

I raised my short skirt and he pressed his cock against the crotch of my tights. As I felt his boner saw against my labia through my panties and tights I moaned and leaned into him, reaching down to caress his shaft with my long nails. He shoved his cock stiffly between my thighs and dry-humped me, his pelvis thrusting back and forth as he pleased himself against the sheer fabric of my tights.

I hung on to Neil's neck with one hand and explored his superbly muscled body with the other. My nipples responded, swelling eagerly as I pushed against him to increase our excitement. Finally, he picked me up like a toy and turned me around, encouraging me to place my hands on the back of an old garden bench.

I was breathing heavily as he roughly ripped a hole in the back of my tights and pulled my panty gusset aside. Pushing my arse back in to him, I spread my legs wider and tilted my hips upward so that he could penetrate me more deeply. Knowing Neil, I had correctly

anticipated this stop-off on the way home and had already lubed up my anus in the ladies' toilets back at the pub. When you live with a man like Neil, you need to think ahead and prepare!

He nestled his cock warmly against my twitching sphincter. Then he thrust gently into me, and I relaxed so that he could fill me with his massive organ. My tight channel resisted him at first but soon gave way as he pressed forward to gain entry to my rear.

With one hand massaging my clitoris through my tights, he steadied himself with the other while shunting back and forth in my hot back passage. My legs quivered as I felt my climax approaching. Then, with his thumb and forefinger, Neil pinched my clitoral bud, making my twat spasm rhythmically as I orgasmed. With his cock fully wedged inside me I came again and again until I was quietly sobbing for breath.

Neil waited for me to recover before continuing to saw his erection back and forth inside my rump. At last, with one final plunge he began to ejaculate, groaning as he sank his rock-hard shaft balls-deep in my ring with one long, ruthless, cum-spurting thrust. I felt him jet squirts of junk deep inside me again and again, convulsively draining himself, reluctant to withdraw from the hot, liquid clench of my flesh. For my part, I pretty much swooned at the sensation of his huge cock spasming inside me as I felt the uncontrollable pleasure of another climax engulf me.

Our contractions slowed as we spent ourselves and he withdrew his flaccid cock. I felt the cool air on my bare bumhole as I straightened up, holding on to him for balance as I tottered on my high heels. Then he kissed me tenderly, smiling as he zipped up and wiped a lipstick smear from my chin.

I tugged my skirt down, and we walked home together holding hands, a thoroughly satisfied couple. There's never a dull moment with Neil around!

Christie, Cheltenham.

“...he roughly ripped a hole in the back of my tights and pulled my panty gusset aside.”

NYMPHO NUTS

My friend Simon has been a constant source of annoyance for ages now. If I've heard it once, I've heard it a million times about his 'nympho' girlfriend and his wonderful sex life. Well, I say friend, he's more of a work colleague who is always up for a few drinks when a group of us go out. I clarify this, in order to make me feel better about what happened recently, and why I find it a lot easier to take when he informs me of his previous night's activities!

It was last week, when we were having some of the aforementioned drinks, that he finally decided to bring Karen to meet us. On seeing her, I've got to confess to a little envy initially, as she was gorgeous; and in keeping

“
**...one movement had
 the tip of my cock
 against her tongue.”**

with what he had said radiated sexuality! She was an incredible flirt, and seemed prepared to let all the blokes know she was up for it. It also seemed that Simon's way of dealing with this was to drink faster and in larger quantity than usual! Anyway, Simon was so plastered that he eventually was taken home by one of our more sober friends, leaving me talking to Karen, who had certainly had a few.

Feeling mischievous in her boyfriend's absence, I brought up the subject of his sexual bragging. To my surprise she merely replied, "Oh yeah, I know he tells everyone. In fact I'm quite glad as it saves me from chatting people up. I mean, you know you're going to get some, right?" I had never had a girl say something that I had been clearly thinking before! My embarrassment was soon heightened by her getting up, and in front of the group leading me by the hand to the gent's toilets. Within seconds we were in a

cubicle pressed against each other, and she was speedily undoing my belt and kissing and biting my neck. Freeing my rigid dick, she stared wildly into my eyes and held my cock in the tips of her fingers. As she worked up a steady rhythm the sensation was incredible and I groped for her pert tits. Barely as I had begun to tweak her nipples, she slid down my body to her knees, and in one movement had the tip of my cock against her tongue. Looking down I saw her lips envelop my cock and my shaft disappear.

Chewing hard on my bottom lip I desperately concentrated to stop myself from shooting straight into her delicious face! Knowing I could take no more as she began sucking my balls and wanking me at the same time, I pulled her head away and began to turn her round. Instinctively she bent right over, placing her hands on the toilet's cistern

as I unhooked her skirt, letting it slide down her hips to the floor. She was wearing no knickers, and she widened her stance and arched her back to reveal the greatest sight I had ever seen! Looking over her shoulder, she said "Both holes!"

Entering her from behind, she let out a little yelp, and grabbing two handfuls of arse I began to fuck her pussy as hard as I could. I could hear that some of the other guys were in the toilets, enjoying what they could hear as I then began to ride her tight bumhole to her relentless screams of "More!" This was no gentle introduction to anal sex – she really wanted a pounding and squealed with pleasure the harder I went. She began to moan that she was cumming and holding her mane of hair in my right hand, and removing myself with my left, I sprayed a jet of spunk between her arse cheeks and all over the small of her back. I'm sure I could hear a little cheer from the other side of the toilet door, but was past caring in my joyous state! To this day, Simon has never found out, but now when he talks about what he's done the night before, I'm more than happy to listen with a knowing smile.

Eddie, Grantham

All the world's a stage, and sometimes famous ladies get their norks out on it...

Known best as Bella in the soul-sucking, life-worsening series of *Twilight* films – we speak as people who watched the first couple, and even read one or two of the 'books', so we could be 'down with the kids' – Kristen Stewart has also made her name as an actress of repute in some decent films. She was ace as Joan Jett in *The Runaways*, sweetness itself in *Adventureland* and revealed glimpses of the hot body beneath the clothes in *Welcome to the Rileys*. But it's as Marylou in the recent adaptation of Jack Kerouac's *On the Road* that she's finally come of age as an actress. In other words, she's finally shared her tits with the world. *On the Road*? On the load, more like. Well, it nearly works... ♣

Mia's been proving quite the draw over the last few years judging by a number of letters we've received praising her red locks and firm body. So, of course, we listened to your pleas to feature Mia again soon and here is the stunning lady

herself, ready to tease as she reveals her soft pert tits and a small strip of pussy hair that leads the eye down to the pink fleshy pleasure zone between her legs. It's safe to say we're expecting a lot of letters from you guys about Mia this month, so garb your pen!

What our well-placed moles are telling us this month...

DOWN THE WIRE

Kicking Up a Stink!

Skunks out, as 4th-grade basketball coach doesn't get the job! 40-year-old, Travis Tarrant was arrest on charges of stalking, animal cruelty and various other misdemeanours. Police revealed that after Tarrant had failed to secure the position as a basketball coach at the local school, he proceeded in a campaign of abuse against his revival, in a bid to get him to resign his position. This included posting dead skunks and a racoon, as well as spray painting the victim's car with the phase "you will die" and a false accusation of child molestation. The postal service intercepted the rotting parcels and called the police, who arrested Tarrant and is now awaiting trial.

Bully Dozer!

Love thy neighbour seems to have gone out of the window with this lot after a dispute reached epic proportions in Tennessee. Tipton County deputies received a call from John Higdon, claiming men dressed in camouflage were firing shots in the woods. Higdon told deputies he believed it was men hired by his neighbour Edgar McLellan, but police found no evidence and left the scene. Before long police took another call reporting shots being fired and they arrested Higdon on endangerment charges. While in custody at 2:15 am, another report came in that Higdon's

home was being bulldozed, as it transpired by the 57-year-old McLellan. Both men are out on bond, but the police expect there to be additional charges.

Mirror Mirror!

Vanity is one of the seven deadly sins, and in this case, has helped bring around some good old-fashioned justice. Amy Sharpe was a woman on the run in Australia before her pride got the better of her after attempting to supply a more flattering photograph of herself. After absconding from custody, New South Wales Police put a bulletin out on the low-risk Sharpe and received an unexpected post through the Facebook page, thought to be from Sharpe herself asking if the police picture could be replaced with a more flattering image. The post got more than 60,000 likes and helped towards Sharpe's eventual recapture in a park close to the facility where she was being held.

FAVE SEX: I'll take any!

WHAT'S SHE LIKE? Cheeky and fun with a naughty side.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

A girlfriend of mine was in it last year, and she looked amazing, so I thought I'd try it too.

WE'RE GLAD YOU DID.

Me too. I'm not sure I want to be a model or anything, but to be in a magazine full of hot girls is a real turn-on.

WHAT TURNS YOU ON ABOUT IT?

Well, I know what men do with magazines like *Club*! And it's a very powerful thought that men are potentially looking at your pictures while they've got hard-ons!

THERE'S NO 'POTENTIALLY' ABOUT IT!

Really? That's got me very horny. I hope I get lots of spunk wasted on me!

IT'S NEVER WASTED!

It is if it isn't going in my mouth! Some of my girlfriends don't like the taste of spunk, but I love it. Getting a warm blast after giving a blowjob is the ultimate thrill, but I suppose getting blokes to wank over my pictures is a close second! ♣

POLE TAXI!

In June I had a hat trick of disasters, losing my job as an office manager in the city and then my flat and boyfriend – not a good month to say the least! Desperate times called for desperate decisions and I decided to head to the countryside to stay with my uncle. In return for managing his farm over the summer I could stay rent-free and earn some cash.

So the joys of Lincoln beckoned and I swapped my 4-inch heel, thigh-high, fuck-me-boots for some knee-bending wellies and got stuck into the farm. To my horror, one of my jobs was to manage the staff, which seemed to include half of Poland. I was responsible for picking up the workers from the local B&Bs and driving them to the fields. So at 5am, looking like something my boots had squelched in, I pulled up and beeped my horn.

My bleary eyes soon widened, though, as five gorgeous Poles clambered in the van. I was speechless – not that anything I could

have said would have been understood. I dropped them off and watched them getting busy on the land. It was a huge turn on. I could feel my pussy twitch and try to get my attention, but I had to get back to the office (well, barn!). The next few hours dragged by and as the sun came out I could imagine my sexy guys stripping off and getting all sweaty in the summer sun.

To my delight I was asked to drop off their lunches and as I pulled up, I caught the eye of one of the youngest blokes. His tanned body glistened with sweat and every nerve was electrified from my nipples to my cunt. As I watched them eating from a distance, my fingers found themselves slipping down my trousers and into my soaked knickers. It had been weeks since I'd had any fun and I was going to make up for it now! I rubbed my pussy lips up and down and my fingers became coated in my juice. Pulling down my knickers to give me some room, I put my feet

up my trousers and asked him if he knew the phrase, 'I'll show you mine if...' He didn't reply but just came right up to me, bold as brass, and pushed my blonde hair behind my ears. Moving even closer so that his body was in between my legs, he gently pushed me back onto the passenger seat and lifted my T-shirt up, exposing my bare stomach.

I was gasping with anticipation as he ran his fingers from my belly up, slowly across me, and around my nipples. I was still so worked up from my finger fuck I came again. Having embarrassed myself twice within five minutes, I sat up and promised him more time and attention the next day.

Back at the farmhouse I showered and relived my horny encounter. I had to pick the guys up in a few hours to take them home, so I knew he wouldn't have to wait until tomorrow. I was gagging to get him out of those work clothes and on top of me. Making my plans obvious, I swapped my overalls for

“**Soon my three best digits were deep inside me as I worked myself into a panting frenzy”**

up on the dashboard and rubbed my hard clit.

Soon my three best digits were deep, deep inside me and as I worked myself into a panting frenzy I came beautifully, my juice dribbling down my legs onto the car seat. I couldn't believe I'd just done that! Wiping myself clean I still couldn't take my eyes off him. Then, to my horror, he started to walk over to the van.

In a panic I tried to get my pants back up, but then my foot slipped out of my left trouser leg and I was stranded there half-dressed. Turning round with my face red as a beetroot I saw him laughing, arms folded across his fit body. Muttering, "Oh fuck – please don't tell anyone," I was shocked when firstly he understood, and then secondly replied, in perfect English, "Don't worry. I'll keep this to myself if you promise to give me the whole show!"

Giving him my dirtiest grin I slowly pulled

a low-cut vest and a pair of skinny jeans to show off my pert, peachy arse. I didn't bother with underwear – there was no time to waste! As I arrived in the fields all the guys whistled and cracked jokes in Polish (well, I think they were jokes, anyway!) I dropped them off one by one, until I was alone with my guy.

He climbed over into the front seat and as I drove back to my barn, his hand slipped in between my legs. Glancing over I watched as he became hard and I was desperate to fuck his brains out. I couldn't wait any longer and pulled over into the fields, tearing my clothes off. I wound his seat down, then ripped and pulled at his clothes, hungry for his cock. I wasn't disappointed. His gorgeous body was hot and smelled of the land. My pussy screamed at me in lust.

Lowering my body on to him until I couldn't take any more, I grabbed the head rest and started to ride him. His tongue darted between my nipples as one hand reached round my arse to guide me down onto him harder and faster.

His other hand reached in between our legs and rubbed at my clit until I fucked him too fast and he was unable to keep up. I switched positions so I was leaning back on the dashboard, my back and red raw arse facing him. His cock felt twice as big and I screamed with every thrust.

Before I knew it he slipped a finger deeply but gently up my arse. As I bounced up and down on his finger I couldn't hold back any more. It's unusual for me to cum before a fella, but this was the fuck of a lifetime. I screamed and gushed juice until I was completely exhausted.

As I collapsed in a satisfied heap I suddenly realised this was the second time today I'd cum leaving him high and dry. Now, I like to show good hospitality. After all, good manners count! So taking his pussy-soaked length in both my hands, I worked his beautiful, sexy cock. He, or should I say I, tasted darn good. And as I sucked, licked and wanked him until he was busting his balls to cum I looked up at him, wide-eyed, opening my lips wide and ready. He filled me to the brim with hot creamy cum and as I let it dribble down my chest I knew I'd been converted to a country girl and that I had one hell of a summer ahead of me!

Kate, Lincoln

SHAVE THEN STUFF!

Well, hello boys! I know what you're here for already, right? So let me tell you what I'm here for, so there can be no

“**Pump those fingers in and out, harder, faster, ram them into my cunt as hard as you can!”**

misunderstandings at all... as if you couldn't guess. I'm looking for a wild time. And I want that wild time to include you shafting me as hard and fast as you can. I want you to dig your dick into me as deep as it'll go. I want to be sore in the morning, but easy for now. I'm not going to let you fuck me straight away. Oh no. First I've got a little task for you.

Right then. Now you know where you stand, have I got your complete attention? I guess that bulge in your trousers is a 'yes'. Well, onto that little task then... Let me get out of these panties. There, what do you think of my quim? No – no touching yet, I like to keep my pubes in order, nice and neat. That's where you come in. You're gonna give them a trim. Here's a razor, the foam's over there. I just want you to take the bristles off that are around my outer labia. But the real challenge is, the razor can touch my pussy, but you can't! You've got to get that close; so close you can smell how much I want your cock inside me – but you can't touch.

I'll spread the shaving foam where I want you to shave. You're not allowed to touch, remember? Now then, you know how to shave right? Get on with it then! That's it. I'll stretch the skin for you so you can get into those crevices. Yeah, nice and gentle.

I like fucking with a clean-shaven pussy. Don't forget, it won't be too long before you can slide your throbbing, rock-hard cock into me. You still hard? Oh yes, you are. Just

because you can't touch me, doesn't mean that I can't touch you!

Mmmn... hey, I said you couldn't touch! Not that I'm going to complain now – don't stop touching right there. Wipe away the last of that foam so you can see what's going on. Oh, lick me, taste me, tongue my clit. Oh, fuck! You've turned the tables on me. That's it, run your tongue over my stiff little bud, swirl your tongue around it. Every time you run over it, there's a little electric jolt of pleasure.

Oh yeah – those jolts of pleasure are gradually getting bigger, better, you certainly know how to lick a girl. My clit's getting all this attention though, and my cunt is so hungry to be filled. No, don't stop licking! Ram a couple of fingers up my eager, wet hole! Uhh! Fuck, you're gonna make me cum. Pump those fingers in and out. Faster! Harder! Ram them into my cunt as hard as you can! My clit's burning now, it won't be long. Fuck, my knees are twitching. This is going to be big! Oh my God! I'm cumming now. Uh, yeah... uh... uhhhhhhh. Oh, man! That was fucking fantastic!

Well, now you've given me what I was asking for, don't you think it's time I returned the favour? Course it is! So what is it you like girls to do for you, huh? No, don't answer, I'll find out for myself. My, that is a beauty, all thick and veiny. Ribbed for her pleasure, right? I bet I'll be able to feel each one of

“How does it feel to have my hot cunt flesh pressed around your dick, my juices dripping on your balls?”

Ohh, that's it, pull me close to you, and feel my tits pressed against you. How does that feel? I love it when people pay special attention to my tits – it really gets my cunt juices flowing. Ah, you know how to take a hint, don't you? I love the feel of your hands caressing my boobs and brushing against my nipples. Ooh yeah, feel between my legs, wet aren't I? I want you in there soon... but not yet.

Nibble my nipples, that always makes me uncontrollable. Ohhhhh... just right. Not too hard, but enough to send a thrill through me. I don't think I can wait any longer to feel your dick entering me. I want to feel it part my pussy lips and ram right into me, now. Keep nibbling and licking my tits. I'll grab your cock and guide it home. There, it's resting against my cunt lips now. All you've gotta do is thrust it in... uhhh! You're in me now, in me to the hilt. How does it feel to have my hot cunt flesh pressed around your dick? How does it feel to have my pussy juice drip down your bollocks? If it feels half as good as it does to have you inside me, I'm gonna be feeling a flood of jizz deep in my hole soon.

That's it, start thrusting. I'll buck forward onto your dick as you ram into me. Go on, fuck me hard. The harder you fuck me, the bigger I cum! That's it, reach as deep inside me as you can, that way your cock tickles my G-spot. Go on, that's it, delve deep, I want to feel the powerful spurts of your spunk spill out inside me. Come on... uh, fuck, that's good. I'm gonna cum. Harder, faster! Ram it in! I'm cumming – oh yes. Oh yes! I'm there! Sweet fuck that feels good!

Now, come on, shoot inside me. Empty your balls in me! Feel me squeeze my cunt around your shaft. Feel it's hot, firm, wetness encase you. Uhhhhh, yes! Mmmmn, I can feel it spurting out inside me. God, I love the feel of hot spunk splashing against my cunt-walls. That's so fucking deep it feels like it's going to come out of my throat!

Now that was a fucking wild ride – you sure know how to show a girl a good time! Remind me to look you up again. Man, am I gonna be sore in the morning...

Eve, Edinburgh ♣

those veins with my cunt walls, later. Your helmet's so purple and shiny, it just looks so appetising there, standing erect, with a little drop of pre-cum seeping from your Jap's eye. I'll just lick that off for you. I see, that's something you like is it? You like having your dick sucked? Well, I suppose I could arrange for that to happen.

Now that is a meaty tasting cock. I wonder if I can fit all of it in my mouth and throat? I'll just slide down your shaft, inch by inch, and see. Not quite. That has made you quiver! Now what I'm gonna do is wank you into my mouth, letting my moist lips caress the rim of your helmet. When it's time for you to shoot your load, I want you to spunk all over my face!

How does that feel? Me wanking your spit-slavered shaft, and at the end of every stroke I take your helmet into my mouth and swirl

my tongue around it? No need to answer – I can feel by the way it's twitching at the base that it won't be long before I take a face full of your jizz. Now, I'm just lightly catching the edge of your cock head in my teeth. Good, huh? And I'm cradling your balls in my other hand, gently massaging them. I bet you won't be able to hold onto that spunk for much longer.

As your jizz shoots out I pull back and take the blasts of hot, salty cum to my face. Fuck! That is sooo dirty! There's jizz dribbling down my cheeks, chin, lips – shit, it's even in my hair. That is so filthy. You really are dirty, aren't you? But then I'm a dirty girl, so we go together just fine. I might go out with some spunk still in my hair later and see if I get any strange looks. It'll be a constant reminder of our moment of passion. Right now though, my cunt is hungry for your protein-rich spunk.

Either Lucy doesn't feel the cold, or the lucky girl has flown to sunnier climes.

"As soon as that thermostat starts to drop I'm off in search of the sun, I can't stand woolly jumpers, constant hot drinks and dark evenings. I find it all to a bit much, I'm a real sunshine girl. I'm thinking of moving to Australia to soak up some real rays next year."

Those Oz boys are in for a right old treat if Lucy sets sail for their shores, and believe us when we say this little lady will be expecting some fun in the sun.

Ana Foxxx has been making quite the name for herself over the pond, where her films have been received upstanding. "I've been fortunate to work with some of the best studio's, like Digital Playground, when I filmed Dark Obsessions, which was great fun."

We also saw a great threesome between you, Riley Reid and Manuel Ferrara.

"Oh, you liked that huh?"

We sure did!

"Well I'll let you in on a little secret, Riley's pussy is just delicious!"

It certainly looked like you enjoyed going down on her from where we were.

If this dame walked into a bar, I think we would have a hard time plucking up the courage to offer her a drink, and our trembling hands would surely give the game away. So rather than throwing drink down poor Lucy, we feel it would be wiser to sit tight and see what happens. So as Lucy perches herself on a stack of kegs (*I can imagine that's your wet dream* -Ed), the opportunity arises to slip a compliment to the girl, who is all smiles and quite giggles, after which our nerves are soothed, and we can get on with the business at hand, or rather Lucy can as she slips her hand down the front of her thong.
